

ESTILUZ / Metal is the principle element, malleable and durable, capable of rendering pure forms as the central thesis of design. Quality, sensitivity to detail and timelessness are the values we add.

estiluz®

NEWS

^(ENG) Since 1969, we have honored our heritage and family traditions, our passion for lighting, and our expertise in shaping metal, all while continuing to expand our horizons through creativity, research, and innovation. Commitment to human values and experience drives our design and production to the highest quality. We constantly seek a balance between function, aesthetics, and sustainability with lamps that offer rational design and adaptability to user needs.

^(ESP) Desde 1969, conservamos nuestra herencia y tradición familiar, preservando la pasión por la luz y la habilidad de dar forma al metal a la vez que ampliamos nuestros horizontes a través de la innovación, la creatividad y la emoción. El valor humano, el compromiso y la experiencia son el motor que impulsa nuestro diseño y producción de lámparas metálicas de alta calidad. Buscamos constantemente el equilibrio entre funcionalidad, estética y sostenibilidad, para ofrecer lámparas decorativas de diseño racionalista, adaptables a las necesidades del proyecto.

TIK

Boti de Dominicis Studio

^(ENG) TIK presents a unique simplicity of profile with quality details and intersecting volumes that gives it a distinctive yet subtle presence.

^(ESP) Su simplicidad contrasta con la calidad de los detalles, una sensual intersección de los distintos volúmenes aporta a TIK un interesante rasgo diferencial en el escenario de la iluminación para exterior.

(ENG) TIK transforms an element as primary and accessible as a tube to create a captivating collection of luminaires designed to enhance outdoor spaces and with an earthy palette to complement its surroundings.

(ESP) TIK transforma un elemento tan simple y accesible como un tubo, en una cautivadora colección de luminarias diseñadas para realzar espacios exteriores.

MOOD

Nahtrang Studio

^(ENG) Mood creates environments, immersive and changeable, transforming itself to enhance different spaces and needs. ^(ESP) Su esencia es crear ambientes, siempre envolventes, siempre cambiantes. Mood se transforma y se transporta, nos acompaña en cada espacio, en cada momento del día.

^(ENG) Mood offers flexible and versatile lighting. Its unique element easily attaches to different supports, in different positions. It can be a pendant, floor, table or wall lamp as needs require. ^(ESP) Mood offers flexible and versatile lighting. Its unique element easily attaches to different supports, in different positions. It can be a pendant, floor, table or wall lamp as needs require.

COMPASS

Nahtrang Studio

^(ENG) Compass is a simple sphere on a wire and attached to an aircraft cable: not only a delicate and timeless reference but a means to transform spaces with its form and structure, either singly or in multiples.

^(ESP) Compass destila sensibilidad en sus líneas puras y sencillas, a partir de delicadas referencias del arte y la vida cotidiana. El conjunto de luminarias transforma una gran diversidad de espacios con una narrativa atemporal de forma y estructura.

(ENG) A subtle counterweight slides vertically to allow the repositioning and functionality of Compass to be quickly changed at any time.

(ESP) La suspensión se caracteriza por un sutil contrapeso que se desliza verticalmente y que permite cambiar la geometría y funcionalidad de la lámpara en cualquier momento.

(ENG) Compass was conceived as a composite luminaire, as a system of up to six spheres, that, with its moveable weights and gravitational positions, forms a world of surprising and playful possibilities. (ESP) Compass se concibe como una luminaria compuesta que permite hasta seis pantallas y que, mediante un juego de pesos y movimientos gravitatorios, conforma un mundo de sorprendentes y lúdicas posibilidades compositivas.

COMMENTS / OBSERVACIONES

All ESTILUZ, S.A. products are designed and manufactured to keep customers satisfied, consequently please note the following:

1. Due to the high quality of our finishes, we recommend using a soft dry polish cloth for cleaning, avoiding the use of special cleaning products that could damage the finish.
2. Do not use lamps of a higher power than indicated.
3. All models are patent protected.
4. Conformity Certificates and technical information of our products are available upon request.

Los productos de ESTILUZ, S.A han sido diseñados y fabricados para satisfacer al máximo a nuestros clientes, debiendo por ello informarles de:

1. Dada la alta calidad de nuestros acabados, aconsejamos efectuar la limpieza exclusivamente con una gamuza seca, evitando el uso de productos especiales que podrían dañar la superficie.
2. No deberán utilizarse bombillas de potencia superior a la indicada.
3. Modelos protegidos por el Registro de la Propiedad Industrial.
4. Certificados de Conformidad e información técnica de nuestros productos disponibles bajo consulta.
