BRIDGES

BY MULLER VAN SEVEREN
2024

Containers, shelves and doors are made of MDF and gloss lacquered in five different colors: Green, Red, Blue, Aubergine and Oyster white. The interiors and back are always lacquered in matt finish. Optional back part of the cabinet in gloss lacquer. Optional 5mm glass top painted in the same color of the cabinet. Regulation glides are included in order to fit the different floors. The doors have steel hidden hinges finished in titanium, installed with an automatic pulse opening spring system. Coat bar for clothes is an extra accessory for the L version.

Dimensions: L. 20 cm (7,9")

AM 01 AM 02 AM 03 AM 04

OPTIONAL DRAWERS

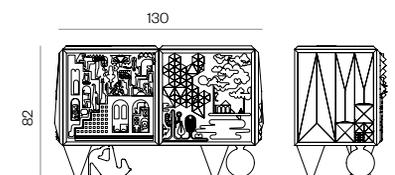

- Choose combination doors: right (R1 or R2) and left (L1 or L2).
- Each 120 cm module has four legs. The 60 cm module has two legs (this option cannot be ordered separately).
- Leg AM 04 and the mountain top may have a different tone in colour due to the material (integral polyurethane).
- It is recommended not to place any objects on top of the top(s). Any damage caused will not be the responsibility of BD Barcelona.

GRASSO

BY STEPHEN BURKS
2018

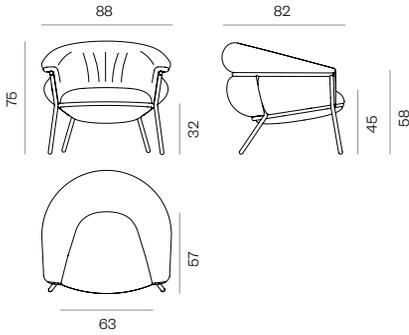

Structure in tubular steel painted in polyester. Seat and back upholstered in the different fabrics and leathers by BD. The wrinkles produced on the surface are part of the original design. Both the number of wrinkles and size may vary due to the use of natural leathers. The elasticity of the fabrics and leathers enhances the uniqueness and variability of the wrinkles.

SIMPLEX CHAIR

BY OSCAR TUSQUETS
2025

Seat made in beech plywood and stained in three colours: oyster white (RAL 1013), cement grey (RAL 7033) and black. Structure made of steel tubes powder-coated in satin finish, matching the wood color. The seat is attached to the metal frame using four plastic spacers, which also help protect the wooden seat during stacking. Feet equipped with plastic glides. Optionally, an extra backrest made of beech plywood stained with the same finish as the seat can be added. The chairs are stackable even with the extra backrest (4 chairs maximum).

OUTDOOR & PUBLIC SEATING

The art editions collection are sculptural pieces, so they must be handled very carefully.

These products are not subject to tests for use, stability or any other aspect. For this reason, BD cannot be held responsible for damage caused to the products or to third parties due to improper use.

GAUDÍ FURNITURE

Gaudí Furniture items are made of solid wood, following the techniques that were used in the construction and carving of the original pieces. This process classifies the Gaudí furniture collection as sculptural art. All Gaudí pieces are certified by the Gaudí Cathedra.

ART EDITIONS

CONSERVATION AND MAINTENANCE

Furniture should be placed in areas with stable temperatures between 15-35 degrees Celcius and a humidity of 40 - 60%. Extreme changes in temperature and or humidity have a direct influence on the behaviour of material. Wood, being a natural (living) element, dilates or contracts, (absorbs or releases moisture).

The parameter changes mentioned depend directly on the location of the furniture in the customer's home or improper storage.

BD cannot be held responsible for constructive alterations caused by extreme changes as detailed above.

As for maintenance, only a natural wax product with a cotton cloth, or wiping the surface gently with a dry cotton cloth should be used.

Do not use abrasive products or solvents.

LEDA SCULPTURE-ARMCHAIR

BY SALVADOR DALÍ

Design inspired by Salvador Dalí's artwork, 'Femme a tête de roses' (1935). Structure in cast brass. Brass with a varnished and polished finish or in unvarnished black patina (Black Label). As the armchair is constructed artisanally, small pores and irregularities on the brass surface are natural to the material, add value to the piece and are not defects.

LEDA SCULPTURE-TABLE

BY SALVADOR DALÍ

Design inspired by Salvador Dalí's artwork, 'Femme a tête de roses' (1935). Legs in cast brass with a varnished finish or in an unvarnished black patina (Black Label). Top in brushed and varnished brass or in a black patina (Black Label). Egg in Carrara marble or Nero Marquina (Black Label). As the table is constructed artisanally, small pores and irregularities in the brass surface are natural to the material, add value to the piece and are not defects.

CLEANING AND MAINTENANCE

The WOOD should be cleaned with a damp cloth and or with neutral soap. Do not use cleaning products containing alcohol, solvents or any of their derivatives. BD recommends applying teak oil twice a year for good wood maintenance. Always apply the teak oil with a brush when the wood is dry. It is recommended to cover the sun lounger with a cover in rainy and out-of-use seasons. FABRICS should be cleaned with a damp cloth and or with a neutral soap. In case of difficult stains, a mixture of bleach (40%) and water (60%) can be applied.

DALÍ FURNITURE

XAI

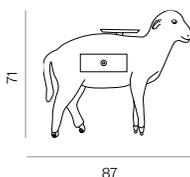

BY SALVADOR DALÍ

Design inspired by Salvador Dalí's artwork, 'Interpretation Project for a stable-library' (1942). Limited Edition of 20 unique pieces in white and 1 in black. Made from a stuffed lamb, elaborated with a technique by a taxidermist.

MAINTENANCE AND CLEANING

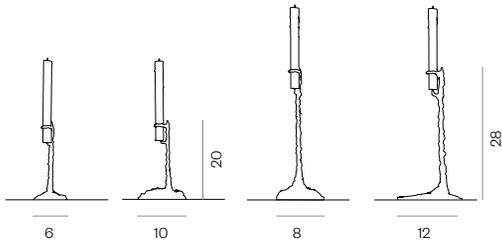

It is important that these pieces not be exposed to a relative humidity above 65%. Avoid placing furniture in direct sunlight. These pieces should be cleaned with a cotton cloth at least once a week to take away any dirt from the upholstery. Clean using a vacuum on low to remove any natural dust. A humid cloth, using only water can also be applied to clean this item. For grease marks, please refer this piece onto a leather or a cleaning specialist.

CLEANING AND MAINTENANCE**DON'T**

- . Avoid direct light.
- . Avoid sharp objects.
- . Keep away from direct heat.
- . Do not use household cleaners.
- . Do not rub.

DO

- . Dust regularly with a soft and dry cloth.
- . Clean with a slightly damp cloth and mild soap. Dry immediately after treatment.
- . Use a light circular motion working toward the center of the stain.
- . To Moisturize the leather we recommend to apply natural neutral creams.

CHARACTERISTICS

The natural characteristics of leather makes this product uneven as of all products that come from nature. Correcting processes make the leathers surface texture even and consequentially less natural. Grain changes, marks and scars caused during the life of an animal are attributes of fine quality and unaltered leather. Wrinkles, bites or other imperfections cannot be considered as defects in leather, but proof of its high quality.

The wrinkles on the surface are part of the original design. Both the number and size of the wrinkles can vary as natural leathers are being used. The elasticity itself enhances the diversity and variability of the wrinkles.

CLEANING AND MAINTENANCE

Furniture pieces should be placed in areas with stable temperatures and humidity. Only suitable for indoor use. It is recommended that items be placed in areas with no direct exposure to air conditioners, heat or sunlight.

Rub gently with a dry cotton cloth or with a natural wax product. Solvents and abrasive detergents should especially be avoided.

BD recommends using a damp cloth using only water. For oily, greasy stains (finger prints) we recommend using a sponge with water and a neutral detergent, and afterwards finishing off with a water dampened cloth. Using detergents containing solvents and or pure ethyl alcohol should be avoided.

As these are natural colours and tones, there may be some differences. Clear woods always tend to darken with time but this also depends on the direct exposure to light.

PRODUCT ADAPTATIONS

At BD, we offer a customization service to adapt our catalogue products to each client's unique needs and preferences. From selecting specific colors and fabrics to incorporating special features, we ensure every detail meets exact requirements. We also provide product adaptations designed for both common and highly specific scenarios.

Our expert team is ready to guide you in finding the most suitable and elegant solutions. Beyond customization, we handle seamless worldwide logistics, delivering an exceptional experience wherever it's required.

Contact us: sales@bdbarcelona.com

1. CATALOGUES AND ORDERS

- 1.1. The information supplied regarding prices, models, dimensions, features and specifications may be modified at any time without prior notice.
- 1.2. The order confirmation is final and binding and must be returned by fax or e-mail duly signed or with the corresponding company stamp. If we do not receive any news within 5 days, we consider the order confirmation as accepted.

2. CANCELLATION OF ORDERS

- 2.1. Accepted orders may not be cancelled when:
 - After 8 days from the confirmation order.
 - When shipment of the product has already been made.
 - Special materials are used and production has started.

3. PRICES

- 3.1. The present price list replaces all previous ones and may be subject to changes without prior notice.
- 3.2. All prices are in Euros excluding VAT. Discounts, payments and delivery conditions will be agreed between BD and customer.
- 3.3. The Spanish VAT of 21% is mandatory for all orders with the final delivery address in Spain (except the Canary Islands).
- 3.4. If a Certificate of Origin (COO) is required, this must be clearly indicated in writing on confirmation of the order. BD will charge 50€ for the cost of its issuance by the Chamber of Commerce, Industry and Navigation of Barcelona. An additional 50€ will be charged for the invoice to be certified. This will only be provided if requested. If the original copies need to be sent to the addressee/receptor, 50€ will be charged for a courier service.

4. DELIVERY

- 4.1. The delivery time is between 10-12 weeks from the confirmation of the order and receipt of the deposit as acceptance. In the event of a delay, BD Barcelona 1972 will notify the client three weeks in advance.
- 4.2. A time frame of 5 working days will need to be given for requests of changes in packaging, once items are already packaged and prepared for collection - be it to reduce size(s) or consolidate boxes/orders (or be it for any other reason). A 200€ minimum service charge will be invoiced for such changes, and will need to be paid before a pick-up is organised.

5. PAYMENT

- 5.1. All bank charges are the responsibility of the buyer.
- 5.2. All goods not paid in full shall remain property of BD Barcelona 1972 S.L.
- 5.3. Payments not made by their due date as outlined on the client's invoice made by BD Barcelona 1972, S. L. gives BD the right to charge a late payment fixed surcharge of 50 Euros and interest on the total amount. The legal general interest rate applied is the percentage of the Euribor (the interest rate of the European Central Bank of 12 months) with an additional seven percent in accordance with Article 7, Law 3/2004 (29th December) in Prevention of Late Payments related to Commercial Operations. If demonstrated damages are superior to the interest rate applied above, these also will be included in any proceedings made by BD.

6. WARRANTY AND POST-SALE SERVICE

- 6.1. Products are guaranteed for two years from date of invoice, provided that they are used under normal circumstances and installed in accordance with prevailing norms.
- 6.2. During this period BD will only cover the cost related to the repair of the product.
- 6.3. Liability is limited to defects of manufacture. Excluded from this guarantee are all damages made by transport, incorrect use, negligence and normal wear and tear of the merchandise. BD Barcelona 1972 S.L. is explicitly excluded from all responsibility for any damage or loss which such defects may cause, either directly or indirectly.
- 6.4. The warranty covers transportation damages, provided the transport is arranged by BD Barcelona 1972 S.L.

7. CLAIMS

- 7.1. Transportation damages must be identified on arrival of goods and reported to BD Barcelona 1972 S.L. by MSC immediately. The delivery note should reflect these same defects by the person receiving the delivery. A concise report of damages including photos should be sent to BD via email: logistics@bdbarcelona.com within 5 days of the delivery and installation of the material.
- 7.2. In addition to our product guarantee, BD Barcelona 1972 S.L. shall attend any written claims concerning errors in quantity or defects and any incidents regarding supply, within six days of the receipt of the goods.

8. RETURN OF THE GOODS

- 8.1. The return of the goods shall not be accepted without our express written authorisation.

9. VENUE, JURISDICTION AND APPLICABLE LAW

- 9.1. In any dispute arising out of or in any way related to this agreement, including any claim sounding in tort or contract (including, but not limited to any claim for negligence and/or products liability), parties agree that the Barcelona Courts shall have exclusive jurisdiction to hear the dispute; and parties agree that they shall not bring a claim in any other jurisdiction.
- 9.2. Parties further agree that any such dispute shall be exclusively governed by the laws of Barcelona, Cataluña and Spain, as applicable, without regard to any conflicts of law or choice of law principles thereof.
