CONDIZIONI GENERALI

1 PREMESSA

- 1.1** Le disposizioni contenute nelle presenti condizioni generali (di seguito le "condizioni") si applicheranno a tutti gli Ordini d'acquisto relativi ai Prodotti venduti dal Venditore, ove non espressamente derogate negli Ordini stessi
- 1.2** Le condizioni speciali, contenute eventualmente in ogni Conferma d'Ordine emessa dal Venditore, insieme alle presenti condizioni generali, rappresentano l'intero contenuto della fornitura dei prodotti.
- 1.3** Gli Ordini, se regolarmente ricevuti e confermati dal Venditore, sono irrevocabili e quindi non annullabili.
- 1.4** L'invalidità di una singola clausola delle presenti condizioni non invaliderà per ciò stessa né la fornitura dei prodotti né gli Ordini.
- 1.5** Ogni eventuale variazione, modificazione od integrazione delle presenti condizioni dovrà essere concordata di comune accordo dalle Parti per iscritto.

2 CARATTERISTICHE DEI PRODOTTI

- 2.1** Eventuali informazioni o dati sulle caratteristiche e/o specifiche tecniche dei Prodotti contenute in dépliant, listini prezzi, cataloghi o documenti similari, saranno vincolanti solo nella misura in cui tali dati siano stati espressamente richiamati dalla Conferma d'Ordine.
- 2.2** Il Venditore si riserva il diritto in qualsiasi momento di eliminare i Prodotti presentati in dépliant, listini prezzi, cataloghi o documenti similari.
- 2.3** Il Venditore si riserva di apportare ai Prodotti modifiche che, senza alterare le caratteristiche essenziali dei Prodotti, dovessero risultare necessarie o opportune.

3 TERMINI DI CONSEGNA

- 3.1** Il termine di consegna di 30 giorni lavorativi è indicativo e non dovrà essere considerato come termine essenziale del Contratto.
- 3.2** Eventuali ritardi dovuti a cause di forza maggiore o ad atti od omissioni del Compratore (ad es. mancata comunicazione di indicazioni necessarie per la fornitura dei Prodotti) non si considerano imputabili al Venditore.

4 RESA E SPEDIZIONE – RECLAMI

- 4.1** Le merci viaggiano a rischio e pericolo del Compratore che e' responsabile anche degli oneri di smaltimento degli imballi e del prodotto.
- 4.2** La resa s'intende " franco destino" per Ordini di valore superiore a €. 750, mentre per spedizioni da Ordini inferiori a €. 750, un diritto fisso di €. 60 è dovuto al Venditore, quale costo di gestione, anche nel caso di trasporto a cura del Compratore. In ogni modo, quali che siano i termini di resa pattuiti dalle parti, i rischi passano al Compratore al più tardi con la consegna al primo vettore e il Venditore pertanto declina ogni responsabilità per perdita o danni della merce dal momento della consegna al primo vettore.
- 4.3** Reclami per eventuali ammanchi ed avarie devono essere rivolti direttamente al vettore.
- 4.4** Eventuali reclami relativi allo stato d'imballo, quantità, numero o caratteristiche esteriori dei Prodotti dovranno essere denunciati al Venditore per iscritto mediante posta certificata, (PEC), a pena di decadenza entro 5 giorni dalla data di consegna dei Prodotti. In ogni caso, eventuali reclami relativi a vizi, difetti e non conformità dovranno essere denunciati al Venditore mediante posta certificata, (PEC), entro un termine ragionevole e comunque non oltre 1 mese dalla consegna.
- 4.5** Un valido reclamo scritto dovrà riportare il numero e la data del documento di trasporto e l'indicazione dettagliata dei vizi, difetti o non conformità rilevati, anche attraverso foto. Qualora non fossero rispettati i termini e le condizioni di cui alla clausola 4.4, il reclamo non potrà essere accettato.
- 4.6** I resi si accettano esclusivamente solo dietro autorizzazione del Venditore per iscritto.
- 4.7** Il reso dei Prodotti dovrà essere effettuato unicamente tramite spedizioniere selezionato dal Venditore ed autorizzato al ritiro da quest'ultimo. I costi del trasporto sono a carico del Compratore.
- 4.8** I Prodotti devono essere resi negli imballi originali e il controllo è affidato al reparto resi clienti del Venditore.
- 4.9** Se, a seguito di detti controlli, il vizio, difetto o non conformità del Prodotto reclamato non sia imputabile al Venditore, il Reclamante ha 30 giorni per ritirare il Prodotto, trascorsi i quali, il suddetto Prodotto verrà distrutto.

5 PREZZI

- 5.1** Salvo patto contrario, i prezzi sono per Prodotti imballati, essendo inteso che qualsiasi altra spesa o onere sarà a carico del Compratore.
- 5.2** Il costo dell'imballaggio è compreso nel prezzo, per eventuali imballaggi speciali si potrà provvedere solamente su espressa richiesta del Compratore e a sue spese.
- 5.3** Il Listino prezzi pubblicato sostituisce e annulla qualsiasi listino precedente. I prezzi indicati si riferiscono sempre al singolo prodotto. La fornitura avviene sempre ai prezzi indicati nel Listino ed alle condizioni commerciali in vigore alla data della Conferma d'Ordine.
- 5.4** Non si accettano per alcun motivo riduzioni o sconti, se non preventivamente concordati, sul valore della fattura.

6 CONDIZIONI DI PAGAMENTO

- 6.1** Ove le parti non abbiano specificato le condizioni di pagamento, il pagamento dovrà essere effettuato come indicato al successivo art. 6.2.
- 6.2** Ove le parti abbiano pattuito il pagamento posticipato, secondo le condizioni commerciali in essere.
- 6.3** Ove le parti abbiano pattuito il pagamento anticipato senza ulteriori indicazioni, si intende che il pagamento anticipato si riferisca all'intero prezzo.
- 6.4** Salvo diverso accordo, eventuali spese o commissioni bancarie dovute in relazione al pagamento saranno a carico del Compratore.
- 6.5** In caso di ritardo di pagamento rispetto alla data pattuita, il Compratore sarà tenuto a corrispondere al Venditore un interesse di mora determinato in misura pari al saggio d'interesse previsto al Dlgs. 9 ottobre 2002, n. 231, "Attuazione della direttiva 2000/35/CE relativa alla lotta contro i ritardi di pagamento nelle transazioni commerciali" e successivi aggiornamenti, più cinque punti percentuali, a partire dal momento in cui il pagamento sarebbe dovuto avvenire.

7 GARANZIA PER VIZI

- 7.1** Il Venditore garantisce la conformità dei Prodotti forniti a quanto previsto nel presente listino. Lo stesso si impegna a porre rimedio ai vizi, difetti, non conformità dei Prodotti a lui imputabili, purché gli stessi gli siano stati tempestivamente denunciati in conformità alla clausola 4.4. Il Venditore potrà scegliere alternativamente se riparare o sostituire i Prodotti risultati difettosi. I Prodotti sostituiti o riparati in garanzia saranno soggetti alla medesima garanzia, a partire dalla data della riparazione o sostituzione. In caso di riscontro di difetto di produzione, la sostituzione e la riparazione è a titolo gratuito, fatti salvi i costi di trasporto a carico del Compratore.
- 7.2** Il Venditore non garantisce la rispondenza dei Prodotti a particolari specifiche o caratteristiche tecniche o la loro idoneità ad usi particolari, se non nella misura in cui tali caratteristiche siano state espressamente convenute nel presente listino.
- 7.3** Salvo il caso di dolo o colpa grave, il Venditore sarà tenuto, in caso di vizi, difetti e non conformità dei Prodotti, unicamente alla riparazione degli stessi o alla fornitura di Prodotti in sostituzione di quelli difettosi. È inteso che la suddetta garanzia (consistente nell'obbligo di riparare o sostituire i Prodotti) è assorbente e sostitutiva delle garanzie o responsabilità previste per legge, ed esclude ogni altra responsabilità del Venditore comunque originata dai Prodotti forniti.
- 7.4** Decorsa la durata della garanzia, pari ad anni 1 dalla fornitura dei Prodotti, nessuna pretesa potrà essere fatta valere nei confronti del Venditore.

8 RISERVA DI PROPRIETÀ

CONDITIONS OF SALE FOR RETAILERS

1 INTRODUCTION

The provisions contained in these general terms (hereafter products supply's rules) shall be applied to all Purchase Orders relating to Products sold by the Seller, unless expressly waived within the Orders themselves and they are fully and tacitly accepted by the customer when sending the order.

- 1.1** Any further special terms, agreed in each Order Confirmation issued by the Seller, and these general terms represent the entire contents of products supply's rules between the parties.
- 1.2** The Orders, if duly received and confirmed by the Seller, are irrevocable and cannot, therefore, be cancelled.
- 1.3** The invalidity of a single clause within these terms shall not invalidate either the products supply's rules or the Orders.
- 1.4** Any variation, amendment or addition to these terms must be agreed by mutual consent between the Parties in writing.

2 PRODUCT CHARACTERISTICS

- 2.1** Any information or data on the characteristics and/or technical specifications of the Products contained in leaflets, price lists, catalogues or similar documents shall be binding only to the extent that that data was expressly referred to within the order's confirmation.
- 2.2** The Seller reserves the right at any time to remove and/or to alter the Products from the collection shown in leaflets, price lists, catalogues or similar documents or to make price alterations to the same.

3 DELIVERY PERIOD

- 3.1** The delivery period of 30 working days is approximate and must not be regarded as definitive and therefore may not in any way affect the validity of the order.
- 3.2** Any delays due to cases of force majeure or to acts or omissions of the Buyer (for example, failing to provide the necessary information for the supply of the Products) shall not be considered as attributable to the Seller.

4 RETURNS AND SHIPPING – COMPLAINTS

- 4.1** Goods are transported always at the Buyer's risk who is also responsible for the cost of disposing of the packaging and the product.
- 4.2** In any case, whatever the terms for returns agreed between the parties, the risks pass to the Buyer at the latest with the delivery to the initial carrier and the Seller therefore disclaims any liability for loss or damage of the goods from the moment they are delivered to the initial carrier.
- 4.3** Complaints for any shortfalls and damages must be addressed directly to the carrier.
- 4.4** Any complaints relating to the state of the packaging, quantity, number or exterior characteristics of the Products must be made to the Seller in writing by certified mail (PEC), upon penalty of forfeiture, within 5 days from the delivery date of the Products. In any case, any complaints relating to defects, imperfections and non-compliance must be made to the Seller by way of certified mail (PEC), within a reasonable timescale and in any case no more than 1 month from delivery.
- 4.5** A valid written complaint must contain the number and date of the transportation document and a detailed description of the defects, imperfections or non-compliance. Where the terms and conditions contained in clause 4.4 are not complied with, the complaint cannot be accepted.
- 4.6** Returns are accepted only following authorisation by the Seller in writing. Returns not authorised in advance shall not be accepted.
- 4.7** The return of Products must be conducted only by shippers selected by the Seller and authorised to collect by the latter. Transportation costs shall always be borne by the Buyer.
- 4.8** Products must be returned in their original packaging and shall be checked by the Seller's customer returns department.
- 4.9** If, following these checks, the defect, imperfection or non-compliance of the returned Product is found to be not attributable to the Seller, the Complainant has 30 days to collect the Product, following which the afore-mentioned Product will be destroyed.

6 PAYMENT TERMS

- 6.1** The payment terms are those identified in the order confirmation and on the invoice.

- 6.4** In the event of a payment delay with regard to the agreed date, the Buyer shall be obliged to pay to the Seller default interest determined at a rate equal to the interest rate set out under Italian Legislative Decree dated 9 October 2002, No. 231, "Implementation of Directive 2000/35/EC relating to the fight against late payments in commercial transactions" and subsequent updates, plus five percentage points, commencing from the time the payment should have been made.

The Seller may choose alternatively to repair or replace the defective Products. Products under warranty that are replaced or repaired shall be subject to the same warranty for a further 12 month period commencing from the date of repair or replacement. Where there are defects in production, the replacement or repair shall be free of charge, notwithstanding the transportation costs being at the Buyer's expense.
